

MASSIVE DISCLAIMER

Cyber Galz NFTs are not proper investment items. The collectibles are for freaks and geeks who pursue pleasure of owning stuffs about cyberpunk and robot girls.

Thus, if you are into making Cyber Galz avant-garde gestures within our community, you are very welcomed. But if you look for investment values on our NFTs, seriously, we urge you to spend your money for posh dinners with loved ones.

With masters of the first generation Cyber Galz collectibles, we will create community bursting with creativity, discovering Galz' stories together.

So, up to you. Suck it up, or leave!!!

THE FIRST CYBER GALZ NFT COLLECTION IS
STARTING LINE FOR REST OF OUR ROADMAP

EVERY CYBER GALZ COUNTS

From digital arts to comics and films, all Galz will lead their own stories under their own name in newly minted contents in the Cyber Galz metaverse

**THE FIRST GENERATION
CYBER GALZ NFTS ARE
ALL-ACCESS PASS TO
THE MARKETPLACE.**

WE ARE TECH SAVVY TOO

Ethereum NFT L2, crafting solution and IPFS are deployed to make your Galz NFTs and the Cyber Galz community stand out

Gas-free Minting & Trading on Immutable X

Cyber Galz NFTs will be minted on Immutable X layer-2. After minting, the marketplace will also go live on Immutable X marketplace. This will allow Cyber Galz' masters to mint and trade the Galz NFTs with zero gas fee.

Customised NFT with Crafting Solution

Cyber Galz NFTs will apply a crafting solution which will enable Galz' masters to customise their Galz' appearance by adding and removing items. Galz' master can create self-inspired Galz, making each Galz more unique.

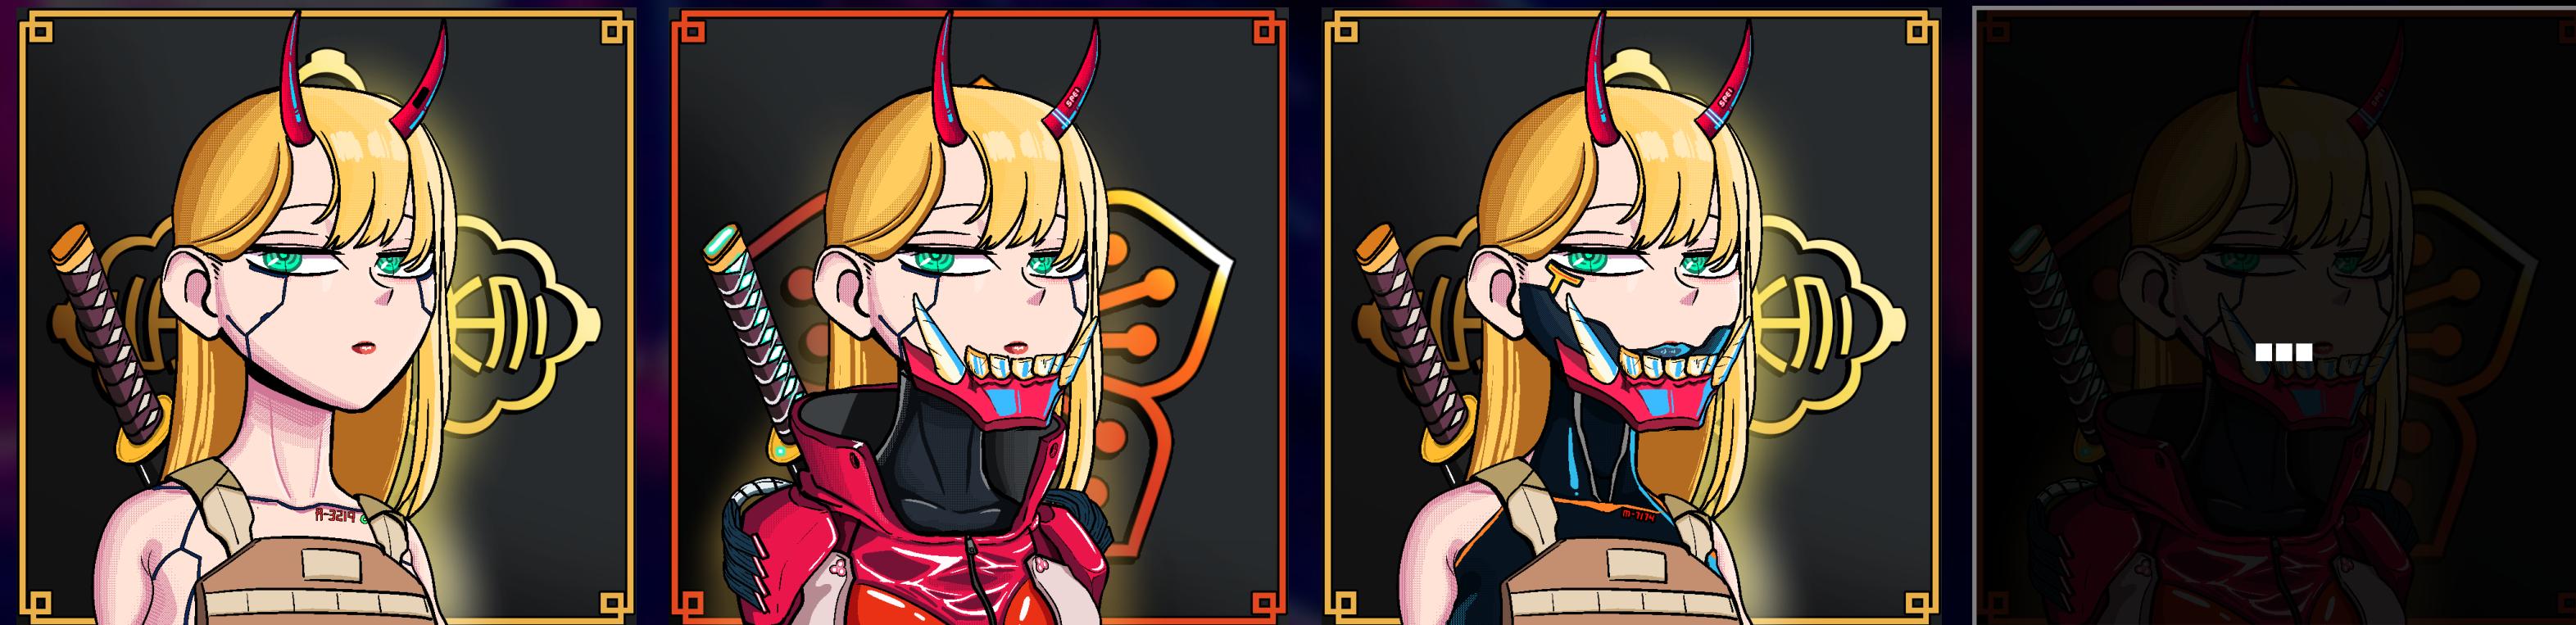

Enhanced Permanence by Arweave

Cyber Galz NFT data will be stored in the Arweave, the leading IPFS bridge system. This tech adoption will enhance permanence and reliability of Cyber Galz NFT data, which also improve functional stability as well as decentralised features.

THE WORLD'S FIRST CONTENT SUBSCRIPTION PLATFORM

Cyber Galz NFTs = Subscription Membership of the Content Platform
